The Releasor hereby acknowledges that some of the activities that are engaged in by the Releasor, the minor child(ren), and Releasees are hazardous and entail the risk of personal injury or property damage. The Releasor understands that the exact nature of each and every risk of personal injury or damage to property of the Releasor cannot be exactly delineated but understands that there is always a risk of damage to vehicles, personal property, bodily injury, and possibly death. The undersigned acknowledges that it is his/her duty to supervise and to keep the minor child(ren) from harm and that no one released herein has assumed or is required to perform any duty to supervise or protect the minor child(ren) from injury or harm.
